We will have Signup Genius sign-ups linked from the Deubrook Air Rifle website (<https://deubrookairrifle.org/signup.html>)

All events are also posted on the Deubrook Area Schools calendar (<https://www.deubrook.com/en-US/calendar>)

Photos of events, recognition of sponsors, other news and items of interest are posted on the main page of our website (<https://deubrookairrifle.org>) as well as our Facebook and Instagram pages.

Expectations:

- I expect shooters will sign-up for a relay on Signup Genius
- I expect that if you are unable to make the relay you signed up for, you will delete the sign-up if possible or call/text/email me if not possible
- I expect that shooters will help with setting up and tearing down the range and equipment
- I expect that shooters will make use of our limited range time
- I expect that we will field a full team for the American Legion postal
 - I would hope that we have good participation for other postal matches as well
- I expect that club members will help with fund raising efforts; especially with the Legion breakfasts and selling raffle tickets
- I expect communication. I primarily send updates and other information via email. Occasionally I will ask for input or feedback.
- I expect that everyone will have a safe and fun time during club activities. If you have ideas, please tell me about them
